The Prelude String Orchestra, comprised of elementary school performers was a huge hit! The String Orchestra performed "Avatar", "The Lost Tomb", and "Cellos Ole"! The Prelude Chamber String orchestra is comprised of Junior High students. The slightly older group performed "Square Dance", "Fantasia", and "The Odyssey".

Both groups are sponsored by Suzuki Music Association of California. Helen Weed is the conductor

Ruth Weisman, who play first chair violin with the Laguna Woods Village Community Orchestra, gave up her chair at age 98. However, she did not give up her interest. She had a good time visiting with the Orchestra players.

Several parents of performing children commented on the size and scope of the Towers and how attractive and welcoming the Lobby and Lounge areas are. Several parents returned to the Front Desk requesting a brochure for future consideration. Their over heard comment was: "The views must be spectacular"!
