

FOR IMMEDIATE RELEASE

On April 27 and April 28 the residents of the Towers will have an opportunity to tour some of the refurbished Mutual owned units in the Towers. Through time and circumstance some of the units owned by Mutual Fifty have fallen into an out-dated condition. The Towers is nearly 40 years old and interior décor has taken several significant steps in four decades.

Mutual Fifty is in the second year of an extensive marketing campaign to publicize the attributes of the Towers, the quality of life in the Towers, as well as the all inclusive assessments. Many visitors do not realize the drama of the views and that their utilities, activities, housekeeping, evening dining and cable are included.

With increased interest in the Towers, the Board has instructed Staff to upgrade and refurbish the Mutual owned units. Units may have wainscoting, accent wall color, new counter tops and sinks, or upgraded light fixtures. Staging is used in many of the units to suggest the hominess and accentuate the views. With refurbishing, the smaller units reflect a hominess that is welcoming and contemporary.

The residents themselves have the opportunity to view a sample of the units in April and the Open House for the public will be May 7. This Spring Fiesta will be held May 7 with a live band and refreshments.

The Towers at Laguna Woods Village is the premier active adult community in Orange County, California for those 55+ that offers the security of a private suite, the amenities of a fine hotel and the lifestyle of a California resort.
