The Towers' new website has just been launched after several months of development under the supervision of Judie Zoerhof and the Towers' Board of Directors.

The website presents what life at the Towers at Laguna Woods Village is all about. Suite ownership in the two fourteen story towers ownership offers choices from studio to penthouse, two dining rooms offering full dinner service along with every possible activity from fitness classes, hobby clubs, and horseback riding to 18 holes of golf at \$9 per round.

Residents live within walking distance or a short free bus ride away of everything you like to do – swim, play tennis, golf, attend concerts, theatre programs or a college lecture.

Video Tours enable site visitors to judge for themselves what living at this luxurious active community is all about. On the website there are newsletters, blogs and other news items that will always keep you informed of recent events or upcoming activities.

The Towers at Laguna Woods Village is the premier active adult community in Orange County, California for those 55 plus.
